**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

An Examiner's Statement of Reasons for Allowance accompanied the Notice of Allowability issued on July 1, 2008, in connection with the above-identified application. The comments in the Statement merely addresses allowed independent claim 1 which recites a one-component liquid crystal sealing composition.

It is noted that allowed claims 2-7 and 10-14 in this application depend from claim 1, directly or indirectly. In addition, allowed claims 8 and 15 recite "a method of producing a liquid crystal display panel." Further, allowed claims 9 and 16 recite "a liquid crystal display panel."

Thus, this paper is being filed to clarify the record and point out that the comments in the Examiner's Statement of Reasons for Allowance should not be understood to imply that

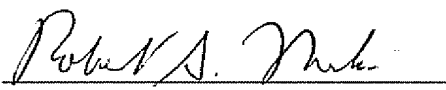

the allowed claims in this application recite anything different than that which the claims themselves recite.

If there are any questions concerning this paper or the application in general, the Examiner is invited to telephone the undersigned at (202) 452-7932 at his earliest convenience.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
